### **MESSAGE FROM LAURALEI -DIVINE LIGHT**

There is so much more to the word light and that there is so much more to the different frequency that we call light. Think of taking the light in all the people in the world's heart, and then bring them together. This would be but a small particle of the light which exists within the evolution which we call Divine.

Divine light vibrates to frequencies that are almost impossible to understand but are not impossible to bring into your life. If we open our hearts and if we open our crown chakras. We open the possibility that there are frequencies of light with untold blessings, which can be integrated into our auras, this brings the unknown to us and opens the spiritual planes to us in new levels.

If we could remember home, if we could remember our beginning, we could remember the purpose of our creation. For all of us have a unique reason that God created us. And with that unique purpose is also a unique frequency of light that came into existence with our creation. You are extremely significant to the entire world, both spiritual and physical.

You have a purpose which no other spirit or soul can perform or pursue.

**PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION**  
**AVAILABLE WITH DAVID - CALL & SCHEDULE!**

**WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE!** How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exist as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

**\*HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place by your bed or desk, somewhere where you spend a lot of time & let it do its work!
