MESSAGE FROM LAURALEI - THE CREATION OF THE EARTH & ITS ELEMENTS

The Creation of the Earth, its evolutionary consciousness and soul, and those energies that enlighten, guard, and defend it, are vital to our life experience and the progression of our souls. Mankind and the Karma we create as patrons of the earth are enormous. We have to learn to live in sync with the planet, if we want to be allowed to physically incarnate upon it.

The earth has a soul that progresses much like ours through cycles of life, death and rebirth. With each cycle, its consciousness increases, and its soul evolves.

If we think of the evolution of man from a primitive caveman to our modern, present day, man, we can argue that with each cycle, link, or evolutionary step, our physical ability to understand and control the aspects of our incarnation increases.

The same is true of the earth. Each evolutionary step the earth takes, brings to it a new element. This brings new abilities, new understandings, new ways to experience life and its existence.

The four ancient elements are: Earth, Air, Fire and Water. Each one represents the four cycles of the earth, which, in our terms, would be four lifetimes or four incarnations. A new element, a fifth element, is being created by the earth at this time, as it moves into its next cycle or rebirth. As visitors to the earth, our experiences and understandings also increase with the addition of each new element.

Each element is a kind of spiritual substance from which all things on the physical planet are made. At the same time they are also Guardians or Gods, guarding the gateways between this world and the next. We must stay in balance with each of these elements in order to remain on the planet. If we allow any one of these elements to move out of balance, it will result in the destruction of man in some way. Wide spread fires, floods, earthquakes, tsunamis or tornados are the results of mankind misusing the elements of the earth and creating karma against it.

PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION
AVAILABLE WITH DAVID - CALL & SCHEDULE!

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exist as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

***HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place by your bed or desk, somewhere where you spend a lot of time & let it do its work!
