MESSAGE FROM LAURALEI: ANIMAL GUIDE MEDITATION

Take a deep cleansing breath and we are grounded and connected to the center of the universe.

White light flows down into your physical body, and we want to focus on our heart center and open it. Open it both in the front and in the back. And at the very center of your heart, you will find your soul mates energy, but if you go a little deeper more deeply embedded behind that, even deeper you will find you animal totem or totems connection and that connection goes right through the soul mate connection because the soul mate shares that totem as well. So, you think of a ball of energy as your soul mate connection and behind that ball is another one and then we have a cord coming from the animal totem through the soul mate energy and for those of you who have not found your soul mate, the animal totem can help you with this. So, you bring that cord or connection, and it connects to your animal totem and before we do that, I am going to take you down to a place in nature and let your body relax and your mind let go.

Keeping your heart open, feel the sun on your face. And let the sun engulf your body in a protective light. And relax and breathe . and you want to affirm to yourself and to the universe that you would like your animal guide to be revealed to you and you would like to share and merge energies with you in a very protected state. Lying down in nature, all your minor chakras, think of them as roots going down into the center of the earth. You have minor chakras all over your body so you could have over one hundred different roots going down into the planet. Now with your heart open I want you to expand it even more and expand the cord or the connection to your animal guide. And throw it out extend that cord and let that cord make a complete circle, a revolution, around your physical body. And when it comes back to center slowly begin to pull that cord with your astral hands, pull the cord like a rope toward you. Sending love through the cord and very gently and slowly pull the cord closer and closer. Until you feel the essence of that animal merging heart to heart with you and let that animal slowly move into your energy past your soul mate cord and back to the ball of energy that is your animal totem. Their heart-to-heart merge with the animal guide and if it is a small animal size and distance does not matter so your heart and their heart can be the same size and they can be the same size as you so they can have a complete merging, not just a partial one. Mind to mind merging, heart to heart merging, when you feel that merging is complete you want to ask your animal guide to take a you on a trip or adventure, ask them to show you universal light. Ask the guide if it has a name that it would like you to call it. And when you are through with your time with your animal guide and the totem of all of the animals. Think of sending love through the universal mind. Send love from your heart to the universal consciousness of that animal and that animal's totem. And then you have all of those

animals as your guides as well once they accept your love. Now you can release the cord and allow the animal guide to move out. And begin to close your heart down two thirds of the way. And just know that the animal guide will be there and the more that you practice merging with it, the greater your experience will be and the stronger your abilities will become with it.

PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION **AVAILABLE WITH DAVID - CALL & SCHEDULE!**

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives, and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exists as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

***HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and, holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place it by your bed or desk, somewhere where you spend a lot of time & let it do its work!
