MESSAGE FROM LAURALEI: I am here. Hello, I am Ariel. I am very happy to speak this night for you. There is a lot of sadness with a lot of violence and shootings that have occurred on the planet. Tonight, I want to teach you how to help souls pass from the earth plane and the other dimension, upper astral areas. When you die, there is usually a white light that appears. Many people are often afraid of that light and when they are afraid of that light, they move away from it. Sometimes there are people that, after they have died, they are not aware that they have died and those people also move away from the light because it is very blinding. So, they move away and those people move away so they can regain their vision. Then there are people that are afraid to enter because they think they will be judged when they come out of the other side of that light. There is no judgment on the other side of the light, there is only love, family, soul family and all of your guardian angels that are there to help you in the transition that you are making. All of the judgement of your life come from yourself and that comes later after you have acclimated from this upper astral area. There is something called a life review but that does not occur instantly. The act of telling someone there is no judgement is a very reassuring move to get them to move into the light. So, when you have an incident where there are a lot of people who have died, like in a mass shooting then in your meditation, you want to think of projecting yourself there. If you are not astral traveling at will, you can think of sending a cord from your third eye to that area where the mass shooting has occurred. So, we all want to center, and take a deep cleansing breath. We want to think of extending a cord from our third eye to that place, Uvalde Texas, and there is no time and space except here. We move our awareness to that place. We look and see that there are many children there. It looks like the adults have gone on but there are many children there that are very scared. We want to speak to them in a loving voice and we want to tell them that there is love and family waiting for them on the other side of the light. Sometimes, you can think of just picking

them up and placing them into the light. Just by thinking about the light, it will appear. You can take the light for that individual and ask it to appear. Over the top of their head it will appear and then we can ask for that soul to not be afraid and that everything will be fine and there is family and there is love and peace at the other end of that light. This is how you help souls that are lost, transition to another plane. As they go, the light will fade and then you can seek another and do the same thing. All over the world there are wars, there are people that have died in car accidents, all kinds of circumstances where there have been souls that have become lost. This is our way of transitioning them to the other side. Sometimes we think of people that have passed as ghosts and this is probably not a good name for them because they have just forgot or lost the ability to remember how to bring the light to them or they think they are not worthy to go into the light. If we have a ghost in a house, then we tell it that there is no judgement, there is love and family waiting for them and its okay for them to go into the light where they will find peace.

PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION **AVAILABLE WITH DAVID - CALL & SCHEDULE!**

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives, and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exists as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

***HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place it by your bed or desk, somewhere where you spend a lot of time & let it do its work!
