MESSAGE FROM LAURALEI FROM DOMINUS: I thought about talking about the difference of different types of karma, good karma is not often talked about. So, I thought it would be useful to have a conversation on this subject. Karma is the law of, for every action, there's an opposite and equal reaction. And we find that most of the conversations around karma are in a negative sense, that what we create negatively will come back to us tenfold, or what we create negatively will come back to us in one form or another. That is true, but we also don't consider the ramifications of good karma. Good karma would be what you reap what you sow, and there are lots of parables and discussions about this in your books but the most important part of understanding this is that what we do with intent builds our soul in ways that nothing else can or takes away from our soul. And while I'm not talking about taking energy away from our soul, I'm talking about feeding and starving it. And the energy that we add to our soul on a cosmic level feeds it. The energy that depletes our soul on a cosmic level is that which comes from negative intent and negative karma. So, positive karma is in a way what we give on the physical plane gives back to us on spiritual planes. We have a mirror of ourselves on this planet. It is a very small spec of what you are. The vast majority of what you consist of, you're not consciously in touch with. We have a mirror of ourselves on this planet. It is a very small spec of what you are. The vast majority of what you consist of, you're not consciously in touch with. That aspect of you, however, is and can be consciously in touch with the aspect of you present here. When you activate and feed with good intentions, this aspect here, it is reflected in the aspect or the light body. That energy as it travels from the physical plane to a spiritual plane creates a highway, a pathway. The more the good intent, the stronger that highway or pathway becomes. The more we seek to enlighten and bring up others, the more that we seek to improve the physical condition and the physical plane and the physical experience of not just ourselves, but all other physical energies, plants, animals, all things that are alive. As we seek to intently create a better circumstance, a more inclusive circumstance, a circumstance in which all things are free to grow and evolve without impediments, that feeds us on a cosmic level. It connects us through our

PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION **AVAILABLE WITH DAVID - CALL & SCHEDULE!**

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura, or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives, and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental, or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses, and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exists as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

***HOW TO PROGRAM A CRYSTAL:** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and hold it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place it by your bed or desk, somewhere where you spend a lot of time & let it do its work!
