MESSAGE FROM LAURALEI: THE ETERNAL FLAME

We know when a chakra or the aura is damaged or harmed, it can cause a related issue in parts of our other selves. The physical body may develop a heart issue if the heart chakra is damaged, a hole in our aura in the back, may cause pain there, etc.

Each and every ailment in a physical, emotional and mental state can be traced spiritually to an event that occurred on the physical plane.

The eternal flame contains the frequencies of all light that has, does and will ever exist. The eternal flame is the beginning and the end of the evolution of the soul.

We start as light. Light that has the intent of our creation. We walk into the eternal flame which acts as a prism and breaks our soul's light into multiple pieces each of which will represent a lifetime on a physical plane.

Each of these pieces again moves through the prism of the Eternal Flame, fragmenting the light to create a chakra/aura system for each of these aspects of our soul that will engage in physical life.

Much like a hologram, every piece is connected to the largest portion of our light. And contains all the aspects of the entire soul. Nothing is lost in the process.

After the lifetime the fragment returns to the eternal flame to gather its balance. Often lives on a planet can damage the chakras, the aura, and the connections to our mental, emotional and even spiritual bodies. We can have parts of our soul taken, given away and even lost because of horror, trauma, abuse, natural events or beings from other dimensions.

So, returning to the eternal flame is a must. First, we enter the violet flame in the hall of masters, we burn and transform any negative components we have picked up or had thrust upon us into pure light. We then enter the eternal flame where the prism reverses and any of the light we have lost is returned to our soul, reversing the fragmentations that had occurred to previously give us physical lifetimes. Because all light returns to its origin, which is the eternal flame. Once there we receive our energy back, cleanse, whole and vibrating to the highest of frequencies for which it was intended.

PRIVATE: ODEN & USUI REIKI LESSONS/CERTIFICATION
AVAILABLE WITH DAVID - CALL & SCHEDULE!

WHAT IS ODEN REIKI? TAKE USUI & ODEN REIKI FOR ONE PRICE! How does Oden Reiki Work? Everything alive has a Life Force Energy, Aura, or Shield around it. We know it can be photographed and we think many intuitive people can see it. What exactly is this shield and what is its function while we exist on the physical plane? The Aura is a series of rings of energy that encircle and nourish our physical and spiritual bodies. The inner ring usually remains the same color in our lives, and it is the vibrational frequency we used to enter this physical plane. The middle and outer rings change frequently. The patterns and colors contain all we are, all we have experienced and everything we are about to. This is what a clairvoyant often tunes into when reading a person. If we have any kind of dark or heavy pattern in our middle or outer auras, we might have a corresponding condition in our physical, mental, or emotional bodies. Rather than pulling the energy out or pouring light into it, Oden Reiki matches the frequency of such energy, surpasses, and then shatters it. Much in the same way Ella Fitzgerald did in the 1960's Memorex Commercials, when she shatters a glass by hitting a high note. In easy terms, Oden Reiki is instantly in its results to purify the Aura, or Life Force Energy Field of anyone or anything. Within minutes the offending energy pattern no longer exists as it was, it has been shattered to raw energy to be returned to the first spiritual plane of Energy. This in turn can cause drastic and instant changes in the physical body.

****HOW TO PROGRAM A CRYSTAL:*** Crystals grow. Crystals have a natural pulse; because they are always growing, this pulse makes them ideal to energize all electronics, including your watch, computer, radio, etc. This pulse can be heard on a subconscious level. It is possible to place a thought in a crystal and it will pulse that thought to your subconscious brain. Since the subconscious brain believes & incorporates whatever it hears repeatedly, you can make positive changes in your life by using crystals. Sit quietly, place the crystal in your right hand, and holds it to your third eye. Visualize and repeat what you want to change in the crystal. Does it for at least 3-5 minutes, and then the thought withholds? Send love to the thought and the crystal. Surround the crystal with gold light, place it by your bed or desk, somewhere where you spend a lot of time & let it do its work!
